PE goes High Tech with Hangouts!

Recently, Illing Middle School PE Teacher Samantha Greco and Martin Elementary School PE Teacher Courtney Bonneau's classes participated in our district's very first Unified PE Class using Google Hangouts!

Using the live streaming feature, students at both Illing and Martin competed in a "Simon Says" warm up, a running relay race, and a hurdle activity. The students loved interacting with each other in competitive play and through video conversation. More distance learning PE classes will continue throughout the rest of the school year as Illing students give Martin students strategies and tips on how to perform better on the Middle School Fitness Test. Way to go, Ms. Greco and Mrs. Bonneau!
